AFRICAN AMERICAN OWNED SECURITY MANAGEMENT FIRM GEARS UP FOR SUPER BOWL 2007

Headed by special event and executive protection expert to the stars, Aaron Johnson, the firm specializes in high profile corporate and urban entertainment special events.

The firm has a who's who list of major Super Bowl and NBA All-Star events including Maxim, HBO, Nike, Allen Iverson's NBA parties, Russell Simmons' Super Bowl Party, NFL Players Party, the Official NFL Half-Time Show Party and others that the company cannot disclose for client protection purposes.

For the event planners that are seeking a thorough and proactive security company, yet with a low-key approach, Johnson & Associates can upgrade your security to first class. The company has 32 networked partner cities, including Miami, with 3 branch offices in Los Angeles, Las Vegas,

Aaron Johnson and staff

Washington, DC and corporate headquarters in San Diego.

Services that are available but are not limited to include: event security officers, security plans and consulting services, executive protection including transportation security detail, plain clothes and off-duty law enforcement officers.
